AGENDA

1. Land Acknowledgement
2. Semi-Formal (Grace)
 - a. AVSSU members: Sign up for a ticket check shift if you are going to formal
 - b. Shift schedules will be sent out this week
3. Elections (Grace)
 - a. Elections coming up very soon
 - b. Be sure to vote
4. CBX (Paul)
 - a. Happening on March 14
 - b. Need help promoting the event
 - c. Need people to volunteer to help out with the event
 - d. Paul will be sending out more information about this soon
5. Studio Lunch/Dinner
 - a. Happening on (most likely) Thursday evenings after reading week
6. Sustainability Commission
 - a. Posters that we can hang around about recycling/being more sustainable in studio
 - b. Health + Wellness event: Potting your own plant
 - i. Bring your own pot and then plant it at Daniels
 - c. In the workd: Bring in 2 sisters who will give a presentation about sustainability
7. Equity Commission
 - a. After doing a survey in Daniels
 - i. #1 concern was regarding financial equality/more help with buying materials and other resources
8. What do we do about all the tools that we have collected over the years once we graduate?
 - a. Example: The hand-saw kit
 - b. Donating tools that we don't use anymore to studio?
 - i. Create a space in the undergrad studio where students can borrow tools and then put them back.
 - c. Selling it at a cheaper price to other students?
9. Streams + Portfolio

- a. 2nd years have very little information about streams/what they are like/
how to apply for them
- b. Stream reps could potentially do an IG story talking about what it is like to
be in their stream
- c. Need to set up a new date for an info session regarding streams and
putting together a portfolio
- d. Would be helpful to also have a portfolio session for vis students
